

England Coast Path Information Sheet for Romney Marsh

2. Dymchurch and St Mary's Bay

The England Coast Path is a new National Trail all around England's coast. It is opening in sections and will be complete in 2020. The Romney Marsh section opened in July 2016 and can be accessed anywhere along its route.

This information sheet, the second in a series of five (*see below*), provides a map of the section of the path that follows the coastline past Dymchurch and St Mary's Bay. The route has good sea views and views of the three Martello Towers in Dymchurch and the Dymchurch Wall. There are plenty of places to eat and drink in Dymchurch and St Mary's Bay.

Access, Restrictions and Exclusions

You can use the QR code on the right to find information about access, restrictions and exclusions for any part of the path.
